About Me
I'm Dev, from Gujarat. I completed my graduation in BCA at Parul University in 2024 with 8.19 CGPA. While my graduation I was an Intern at Sparks To Ideas Company in Ahmedabad as a Python Developer Intern. While my internship I've developed many projects using django, django-restframework and with using of mysql database. So I have an experience of real time projects work and very exited to join with you.
